be necessary, and, may if it considers it necessary, require the applicant to attend in person at a meeting of the Council, or of any Committee of the Council at which the matter is to be considered.

(4) (a) If upon consideration of the application and of the evidence furnished in support of it, the Council is satisfied that the name of the applicant should be restored to the Register, the Council may recommend this course of action to the Public Services Commission;

(b) If the recommendation of the Council in paragraph (a) is approved then the Council shall direct the Registrar accordingly and upon payment by the applicant of the prescribed fee, his or her name shall be restored to the Register and a new certificate of registration and badge, if necessary, shall be issued to him or her.
